**Memorialize the victims,
Mobilize the survivors.**

**How the
National
Honor Society
Can Help Honor
the Victims of Terrorism**

**Unite with Student
Leaders Across the Nation
to Make a National
Memorial for the events of
September 11, 2001.**

**The Oak Ridge
High School
Student Council
and
National Honor Society**

**of
Oak Ridge, Tennessee,
are working to place plaques
bearing steel from the
World Trade Center
in the capital cities of the 50
states, Puerto Rico and in
Washington D.C.**

**Fifty-two cross sections of
steel were cut from a single
column recovered from
Ground Zero.**

**The column, from the 65th
floor of one of the
Twin Towers,
was dedicated to us for
this purpose by the
Army Corps of Engineers.**

**The State of Wyoming has
taken the lead by unveiling
the first plaque on
September 11, 2004.
Their plaque will hang
inside their capitol
building, and yours can, too.
Your state may also choose
to display the plaque
outside your capitol
building on a granite block.**

**Work with
National Honor Society
chapters and
Student Councils
from across your state
to unveil your plaque on
September 11, 2005 or on
a future September 11th.**

**Together, we can build an
unprecedented collective
memorial across America.**

**Join with other students
who want to mobilize their
generation to
strengthen and maintain
liberty and security
for the
United States of America.**
